DASC Championships Requirements and Rules

- A. To qualify for DASC Championship classes, a horse/rider combination must obtain at least three (3) qualifying scores from two different judges. Riders may qualify with scores from any test in the level. The qualifying scores are as follows: Introductory Level (AA and JR) – 60%; Training and First Level – 65% for Open and 60% for Adult Amateur and Jr./Young Riders; Second Level – 63% for Open and 59% for AA and Jr/YR; Third, Fourth, Prix St. Georges and Intermediare I – 60% for Open, 57% for AA & Jr/YR. Intermediare II and Grand Prix – 58% for all (Open). Freestyle must obtain one qualifying score of 63%. Riders are asked to verify scores by presenting copies of tests or official USDF or Centerlinescores.com score reports with show entry.
- B. Exceptions to qualifying rule:
- Dressage Equitation** requires one (1) score of 58% or better in a Dressage Equitation Class OR qualification for Championships at any level. Freestyles require one (1) qualifying score of 63% or better or qualification to ride in a Championship Freestyle Class at the respective level.
 - Out of Area** – Members in good standing may obtain qualifying scores from any USEF recognized show provided they reside more than 75 miles from enough DASC recognized shows to qualify. (Example: this year, many San Diego, Riverside, and San Bernardino County members have limited access to DASC recognized shows, and would thus be allowed with this exception) Using this methodology of qualification, it is the responsibility of the member to submit qualifying scores to DASC for approval.
- C. Riders and horses must be paid DASC members to compete in the Championships. They must be members at the time of the qualifying rides. U.S. Citizenship is not required.
- D. At no time during the show may any horse entered in a DASC championship class be ridden by anyone other than the rider entered in that class on the horse except for the groom on a loose rein. Exception: Dressage Equitation – horses entered in Dressage Equitation are exempt from this rule for that class *only*.
- E. A horse may not enter two divisions (e.g. Open and Amateur) in the same level.
- F. Non-Championship classes are open to all. There are no DASC membership, score, or citizenship limitations. Non-member fees will apply where applicable. Ribbons awarded to fifth place.
- G. Qualifying scores earned in open classes at the 2015 Championship show will count toward DASC 2016 Championship show qualification. Scores in the Championship classes will not.
- H. All ties will be broken via the General Impressions section of the score sheets (per USEF rule DR123.3)
- I. Championship classes take precedence over non-championship classes if show is over-subscribed. Entries will

be taken on a first-come, first-served basis for all levels offered.

- J. No whips may be carried in championship classes, and the test may not be called.

USEF Membership Benefits: USEF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the USEF Member Guide or the USEF website at www.usef.org.

Membership Requirements for USEF-licensed/USEF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USEF-recognized competition as a rider or owner/lessee, must have either a USEF Group Membership, Participating Membership (PM), or have a USEF Non-Member (NM) identification number and pay the USEF NM fee. (Note: USEF business members can own horses but cannot compete as riders with their USEF BM.) Individuals cannot compete at a USEF-licensed/USEF-recognized competition with a USEF Education Membership.

Horses competing at USEF-licensed/USEF-recognized competitions must have either a USEF Horse Identification (HID) number or a USEF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USEF-recognized competition, and not able to present the competition secretary with verification of a USEF membership or NM identification, and USEF LHR or USEF HID, must complete a USEF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USEF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USEF Introductory Level tests, pas de deux, quadrille, FEI Para-Equestrian classes, are exempt from this requirement. Also exempt are horses ridden in headline, exhibitions, games and races, classes for 4-H members, walk-trot, academy and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USEF HID requirements are also exempt from the USEF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USEF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-years (\$300), or life (\$1,500). A USEF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USEF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USEF Year-End Awards, Great American Insurance Group/USEF Breeders Championship Series Finals and the Great American Insurance Group/USEF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USEF when the member name and dues are submitted to USEF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USEF-recognized competitions and participate in the USEF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USEF. The USEF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USEF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USEF-recognized competition.

Non-Member (NM) Identification Number: For each USEF NM owner/lessee and USEF NM rider there will be a USEF NM fee of \$25 per competition that must be collected by the show secretary and submitted to USEF, along with the USEF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USEF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USEF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USEF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USEF NM fees not received with the USEF post competition paperwork, along with a report listing all USEF NMs. Competition management is then required to submit the NM fees within 30 days to the USEF. An individual with a USEF NM identification number is not eligible for any USEF membership benefits. Once a USEF NM number has been assigned, a USEF NM card can be obtained from the USEF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USEF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USEF Regional qualifying or championship classes or Great American Insurance Group/USEF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USEF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$95) is eligible for Adequan®/USEF Year-End Awards, and eligible to compete at Great American Insurance Group/USEF Breeders Championship Series Finals and Great American Insurance Group/USEF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

How to Join USEF

Applications for USEF Participating Membership (PM), Business Membership (BM), Horse Identification (HID) number, and Lifetime Horse Registration (LHR) may be found in the following locations:

- On the USEF website: www.usef.org. You can submit the application online or download the form and fax or mail it to the USEF office.

USEF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USEF), a federation of 125 independent organizations throughout the United States with a membership in excess of 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USEF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
